For each equity share, series C, and equity share, series U that shareholders of FSUSMLP hold immediately prior to the Merger, they will receive, on the effective date of the Merger, one series MC share, and one series MU share, respectively, of the new amalgamated fund’s Front Street MLP and Infrastructure Income Class.

The following events, among others, will occur to effect the Merger:

- Articles of Amalgamation for the Merger will be filed prior to the effective date of the Merger;
- following the Merger, the FSUSMLP equity shares will be delisted from the Toronto Stock Exchange;
- all of the material contracts of the Funds will be rationalized either by terminating or amending such agreements as may be necessary or desirable in light of the Merger;
- the portfolio assets of FSUSMLP, which will be entirely cash immediately prior to the Merger, will become assets of the new amalgamated fund’s Front Street MLP and Infrastructure Income Class; and
- the cash added to the portfolio of the new amalgamated fund from FSUSMLP will be invested in accordance with the investment objectives, strategies and restrictions of the new amalgamated

fund's Front Street MLP and Infrastructure Income Class (which will be identical to FSMFL's Front Street MLP and Infrastructure Income Class).

Complete details regarding the Merger were outlined in the joint management proxy circular dated November 11, 2015 and sent to shareholders of record on November 18, 2015. The joint management proxy circular is also available at www.sedar.com.
